

Institution Name: _____

Review of Progress on Implementation and Implications for Sustainability

TO BE COMPLETED AS PART OF PRE-WORK FOR INSTITUTE #6 AFTER REACHING CONSENSUS ON THE SCALE OF ADOPTION ASSESSMENT

Instructions: *review and reflect on the institution's advance work (KPIs, Scale of Adoption review) and progress on implementation efforts thus far and look forward to sustaining the institutional changes. Discuss and keep notes on the following questions. Submit to Renee Dimino by **June 21, 2019.***

Guiding Questions	College Responses to Guiding Questions
What work on pathways design and implementation has been accomplished since Institute #5 in March?	
How will the entering student experience be different in Fall 2019 than it was in Fall 2018? Fall 2017?	
How has the advance work for Institute #6 changed or refined your views of what comes next? What KPI and progress assessment data are useful in focusing on next steps?	
What policies have been implemented during this project that will sustain the changes in the student experience that have been made and/or are anticipated?	
How is the institution's leadership planning for sustainability and continuous improvement of the reforms that have been implemented to date and will be implemented by Fall 2020?
